

HAZEL WINE CO

WILLAMETTE VALLEY, OREGON

2019 WILLAMETTE VALLEY PINOT NOIR

Hazel Wine Company was inspired by many years of harvesting and crushing with wineries of friends turned family in Dayton and Yamhill-Carlton. Our name is inspired by the bounty of this unique farming region and we are guided by the commitment our community has to sustainable and earth-friendly practices. Both the Pinot Noir grape and the Hazel tree thrive in the volcanic soils and mountains of this Maritime climate which yield only the highest quality of each. We remain focused on highlighting the Willamette Valley and respecting all things rooted in Nature.

2019 VINTAGE

This vintage was more temperate and balanced than the previous few warm vintages in the Valley. As we approached harvest, our growers were challenged by a rainy September and cooler October but these elements lead to a balanced style and incredible, age-worthy vintage.

TASTING NOTE

We utilize 3 vineyards within the Eola-Amity AVA in the production of our 2019 release. The wine features floral and earthy notes highlight the aromas and bouquet of our Pinot Noir before blossoming into flavors of dark cherry, raspberry, black tea, and a subtle hint of vanilla from the Oak barrels. Enjoy this Pinot Noir with cheeses, salads, chicken, lean meats and wild salmon.

VARIETALS
