

HAZEL PINOT NOIR

WILLAMETTE VALLEY AVA

Hazel Wine Company was inspired by many vintages spent harvesting and crushing with wineries of friends turned family in Dayton and Yamhill-Carlton. The nuance of growing grapes in this Coastal climate attracted this Northeasterner turned Northwesterner with a love for the outdoors, farming and an enthusiast for sustainable and earth friendly practices.

Our name is inspired by the bounty of this region and all things rooted in Nature.

2018 TASTING NOTE:

The bouquet of our Pinot Noir is delicate and enticing. The palate features classic attributes of the varietal with hints of tea, red fruits and structure from the French Oak barrels. 3 Pinot Noir clones are grown in the two vineyards we harvested from for this vintage. 20% Whole Cluster Fermentation was utilized in the winemaking.

Enjoy this Pinot Noir with Pacific wild salmon and wild game. 1145 cases produced.
